

MENTAL HEALTH REGAINED

A Public Workshop

Learn how patients moved from mental illness to mental health with orthomolecular therapy, featuring
Linda & Ian Taggart
Laurel Tilley
Eva Edelman

**Sunday, May 2
2:00-4:00 pm**

**Fairmont Hotel Vancouver
Pacific Ballroom**

900 West Georgia Street, Vancouver

Admission \$20 - Doors open at 1:30 pm

The workshop will also provide a great opportunity to speak directly with experts in orthomolecular treatment for mental health:
Garry Vickar, MD - Ron Hunninghake, MD - Brad Weeks, MD

Orthomolecular Medicine is the practice of optimizing health and treating disease by providing correct amounts of vitamins, minerals, amino acids, essential fatty acids and other nutrients which are natural to the body's environment.

Presented by the
**INTERNATIONAL
SCHIZOPHRENIA
FOUNDATION**
