

CANADIAN SOCIETY FOR ORTHOMOLECULAR MEDICINE

**Presents a One Day
Medical Education Seminar for Health Professionals**

Healing the New Childhood Epidemics

Autism, ADHD, Asthma and Allergies

Kenneth Bock, MD

Co-Director, Rhinebeck Health Centre, New York

During the last two decades, the incidence of autism, ADHD, asthma, and allergies has skyrocketed. In this seminar, Dr Bock provides a comprehensive program that targets all four of the 4-A epidemics.

**Saturday, October 31, 2009
Westin Prince Hotel
Toronto, Ontario**

■ Introduction

As the incidence of autism, ADHD, asthma and allergies rapidly climbs, evidence-based approaches such as orthomolecular medicine and biomedical medicine are being integrated into treatment programs around the world to significantly improve patient outcomes.

Dr Kenneth Bock, an integrative medicine specialist, will share his comprehensive Healing Program which has helped over a thousand children. The insights gained from Dr Bock's 25 years of research and clinical experience with complex medical problems will be of immediate value to your practice and to your patients.

■ Learning Objectives

Participants in this seminar will:

- Gain awareness of the epidemic nature of autism spectrum disorders, ADHD, asthma and allergies (the 4-A Disorders)
- Understand etiologies that may underlie these disorders, which include environmental insults, such as toxins (including heavy metals and chemicals), allergies, sensitivities and chronic infection, as well as genetic susceptibility
- Understand the metabolic imbalances seen in children with the 4-A Disorders, including impaired methylation and transsulfuration
- Learn a multifaceted integrative medicine Healing Program for remediating these disorders, utilizing modalities such as dietary modifications, nutritional supplementation, detoxification and medications

■ Location

Westin Prince Hotel
Princess Room
900 York Mills Road
Toronto, Ontario
(416) 444-2511

■ Fee

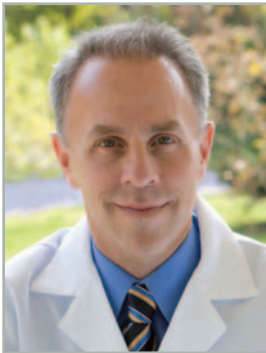

\$135.00 (+ GST) Includes lunch and materials

■ Agenda

Healing the New Childhood Epidemics: Autism, ADHD, Asthma and Allergies

- 8:30 Registration
- 9:00 Part 1 Etiologic and Diagnostic Considerations
- 10:30 Break
- 10:50 Part 2 - Therapeutic Considerations
- 12:30 Lunch
- 1:30 Q & A /Discussion
- 2:30 Panel Discussion
- 3:00 Close

Who should attend: Family Physicians, Pediatricians, Allergists, Respirologists, Naturopathic Doctors, Nurses, Dietitians and other registered health professionals working with children.

Kenneth A. Bock

MD, FAAFP, FACN, CNS

Kenneth A. Bock, MD, received his MD with Honor from the University of Rochester, School of Medicine, in 1979. He is Board Certified in Family Medicine and is a clinical instructor in the Department of Family Medicine at Albany Medical College. For more than 25 years, he has dealt with complex medical problems by integrating alternative modalities with conventional medicine

into a comprehensive integrative medical practice, and for the last nine years he has focused that approach on children with autism spectrum disorders, ADHD, asthma and allergies. Dr Bock's Healing Program is at the vanguard of the new biomedical approach to the treatment of children affected by these disorders. He is the co-author of *Healing the New Childhood Epidemics: Autism, ADHD, Asthma and Allergies*. He lectures nationally and internationally on immune system health and integrative approaches to autism spectrum disorders, ADHD, asthma and allergies.
